

Shape the Future: Become a 692 Squadron Parent Volunteer!

The **692 Squadron Sponsoring Committee (SSC)** is a dedicated team of screened parent volunteers who manage the essential business functions of our squadron. As a caring parent, there is no better way to stay connected, informed, and truly involved in your child's cadet journey than by actively participating in it.

By joining the 692 SSC, you will help plan, organize, and support incredible activities that directly benefit our youth. **Your time, energy, and leadership** are what make our squadron's success possible, ensuring our cadets have the absolute best experience.

Ways You Can Support

We understand that everyone's schedule and capacity look different. You can make a meaningful impact in two vital ways:

- **Gift Your Time:** Join us as a screened volunteer member to help steer our squadron's programs and events.
- **Gift a Donation:** If you are short on time but still want to support our mission, we gratefully welcome monetary donations to help fund cadet activities and equipment. *You can donate by e-transfer to ssctreasurer@692aircadets.ca or by cheque to "692 BCIT Air Cadets".* **Official tax receipts will be issued for all eligible financial contributions.**

How to Get Started as a Volunteer

To ensure a safe environment for all youth, the Air Cadet League of Canada requires a straightforward **4-step screening process**. This includes completing an application, a criminal record check, providing a photo, and a quick interview.

Connect With Us Today

Ready to make a difference or make a donation? Reach out to find the perfect way to get involved:
